

CCSRI – Innovation Grant (1st Competition)

Sponsor

Canadian Cancer Society Research Institute

For More Information

For more information, please go to the [CCSRI Grants & Awards](#) [1] website.

Description

The purpose of this funding initiative is to support unique, creative research ideas that will impact cancer. Although this grant program is primarily designed to support the biomedical, translational and clinical research communities, applications from all areas and disciplines of cancer research will be considered eligible for funding and will be evaluated based on a common set of criteria. Applicants are required to submit proposals for studies that explicitly address the Society's mission to eradicate cancer and enhance the quality of life of people living with cancer.
