For More Information

For more information, please go to the [sponsor](#) [1] website.

Description

The award is given annually, and it enables a distinguished German scholar to do research in Canada, which may include brief periods in the United States. This award is open to German scholars who have demonstrated outstanding ability, especially through a substantial publication record over several years. The award is offered in support of research in any of the disciplines of the social sciences and humanities.

Eligibility

Candidates may not apply for this award: they must be *nominated by a department* within a host university or research institute in Canada. Candidates must be German citizens with a contractual or working relationship with an academic institution in Germany. They must have a sound working knowledge of at least one of Canada's two official languages.

Funding Availability

\$80,000 for 1 full year. Funds are to be used by the host institution as a contribution towards the payment of the salary of the visiting scholar. In addition, a grant of up to CDN\$15,000 is provided to cover the cost of travel to the Canadian host institution (including travel of the recipient's immediate family for award periods longer than three months) and travel to other institutions in Canada and the United States.

Indirect Costs

0%

Project Duration

up to one year – award period should start on or after August 1, 2017
