SFARI: Explorer Award

Sponsor

Simons Foundation Autism Research Initiative

For More Information

For more information, please go to the [SFARI](#) [1] website. Please read the SFARI policy and procedures document.

Description

Explorer Awards are intended to provide resources to support exploratory experiments that will strengthen hypotheses and lead to the formulation of competitive applications for subsequent larger-scale funding by SFARI or other organizations. Innovative, high-risk/high-impact proposals are encouraged. We especially encourage applications from investigators who are new to the field of autism, but who have expertise that could be brought to bear on this complex disorder.
