Description

Mitacs and Sorbonne Universities have partnered to support a unique, two way mobility opportunity. For a limited time, graduate students at Canadian universities, and Masters and PhD students at Sorbonne Universities can apply for a competitive Mitacs Globalink Research Award to support a research project jointly supervised by Canadian and Sorbonne University faculty.

For faculty, this program is a new opportunity to establish or reinforce research collaborations through graduate students' international mobility between Canada and Sorbonne Universities.

Eligibility

Full time Senior Undergraduate, or graduate students at Canadian universities. **Note:** Senior undergraduates must have completed their 2nd-last year of study prior to departure, with one or two years of study left to complete their degree, and maintain a minimum of a B average or equivalent thereof.

Funding Availability

Canadian students receive up to \$5,000 for travel and project related costs such as: visa reimbursements, return airfare and health insurance. A limited number of awards are available.

Project Duration

12 – 24 weeks at Sorbonne Universities for Canadian students. Projects can begin as early as June 1, 2015 and as late as December 31, 2015.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
