Description

The Mitacs Globalink Research Award – Campus France is an exciting new competitive initiative that provides the opportunity for faculty members and senior undergraduate and graduate students at Canadian universities to participate in 12– to 24–week research projects supervised by a faculty member at a French university. Mitacs and Campus France strive to ensure that Globalink Research Award – Campus France students have a high-quality research experience with internationally recognized professors who facilitate expanding their knowledge and provide hands-on training in their field of study.

Eligibility

Full time Master's or PhD students studying at a Canadian Universities, and Faculty at Canadian universities; Projects are jointly supervised by faculty members based at select Canadian universities

Funding Availability

Students coming from France will receive up to \$5,000 for travel expenses and related costs such as via reimbursements health insurance and return airfare. Funding will be in the form of a research grant to the Canadian academic supervisor, via the Office of Research. Campus France will also provide \$5,000 to cover accommodation and local expenses in France for Canadian students. These funds will be sent to the host institution in France, which will disburse the funds directly to the student.
